**Kinderdance® International Expands to Dubai**

*US Franchise Organization brings movement education  
to young children in United Arab Emirates marketplace*

Melbourne, FL – September 22, 2010 – Kinderdance International Inc. has been steadily expanding since its founding in 1979. Since then they have taught hundreds of thousands of children - - and **NOW** announces today the expansion of their first franchise in Dubai, United Arab Emirates, awarded to Kumal and Reena Dhamecha.

Ms. Dhamecha and her teacher Tshering Idnani arrived in Melbourne, FL on September 13<sup>th</sup> and began their initial six day training at Kinderdance headquarters.

“It’s wonderful to witness the expansion of Kinderdance into Dubai. The country is now poised to embrace educational programs which focus on movement and dance while developing physically and mentally fit children of tomorrow,” says Kinderdance President, CEO and Founder, Carol Kay Harsell.

Kinderdance® places emphasis on building self-confidence and self-esteem in children through learning to share, lead, interact and respond to others’ needs as well as their own. The programs incorporate the arts, movement, education, music, fitness and the fun of learning into a young child’s life and **help in the worldwide fight against childhood obesity.**

The company offers the educational movement programs on site to child-care centers, recreational centers, churches, fitness centers, and may other viable locations.
